

Hybrid radio

TELESTAR DIRA M 1

The small-sized TELESTAR DIRA M 1 represents state-of-the-art radio technology: It receives digital DAB+, analogue FM as well as over 25.000 web radio stations. Although small-sized, it creates a solid sound experience thanks to the full range speaker featuring 10W output power, whose properties may be adjusted to individual preferences via equalizer mode. The DIRA M 1 is

UPnP and DLNA compliant and comes with a versatile USB media mode, supporting playback of different types of data as well as a state-of-the-art record mode. Many user-friendly features, such as alarm clock mode, sleep timer, multilingual menu, and favourite keys top off the list of its features and make the TELESTAR DIRA M 1 an outstanding and very versatile radio.
