

Hybrid radio

TELESTAR DIRA M 14i

The small-sized TELESTAR DIRA M 14i combines state-of-the-art radio technology and design excellence. It receives digital DAB+, analogue FM as well as over 25.000 web radio stations. Although small-sized, it creates a perfect sound experience thanks to the full range speaker featuring 15W output power in combination with the DSP. The M 14i is UPnP and DLNA compliant and

comes with a versatile USB media mode, supporting play back of different types of data as well as a state-of-the-art record mode. Many user-friendly features, such as alarm clock mode, sleep timer, multilingual menu, and favourite keys top off the list of its features and make the TELESTAR DIRA M 14i an outstanding and very versatile radio.
